The Journal of the Elisha Mitchell Scientific Society, 115(4), 1999, p. i–ii

CONTENTS OF VOLUME 115

Arenholz, Dean W. Periodicity of growth increment formation in otoliths of juvenile gray snapper (*Lutjanus griseus*) and lane snapper (*Lutjanus synagris*) 251
Bacon, Mary Alexa, E.H. Barman, and *Benjamin P. White.* The biology of *Coptotomus lenticus* (Coleoptera: Dytiscidae: Coptotominae), with a description of its mature larva 75
Baldwin, Andrew S., and *Edward F. Menhinick.* A record of desiccated rotifers in a single trap of the yellow pitcher plant *Sarracenia flava* with notes on their distribution and rehydration rates 69
Buffington, J. Matthew, John C. Kilgo, Robert A. Sargent, Karl V. Miller, and *Brian R. Chapman.* Foraging behavior of three passerines in mature bottomland hardwood forests during summer 356
Buhlmann, K.A., and *Joseph C. Michell.* Age of adult eastern tiger salamanders (*Ambystoma tigrinum tigrinum*) in a Virginia sinkhole pond complex: implications for conservation 239
Burk, William R. John Nathaniel Couch (1896–1986), his contributions to the *Journal of the Elisha Mitchell Scientific Society* and his scientific publications 297
Cooper, John E. A new species of crayfish of the genus *Cambarus,* subgenus *Cambarus* (Decapoda: Cambaridae), from the Broad River basin in North Carolina 1
DiDonato, Guy T., and *Alan E. Stiven.* Three year variation in shell growth of the mussel, *Elliptio waccamawensis* (Lea), in Lake Waccamaw, a Bay Lake in North Carolina 324
Dooling, Thomas A. Wave function as a two dimensional vector in quantum mechanics 159
Dutton, Christine, S., and *Eric G. Bolin.* Fall diet of a relict pheasant population in North Carolina 41
Englund, Ericka. A comparison of mortality rates and life expectations for men and women in the Swannoa Valley, North Carolina 93
Francesconi, James J., and Frank J. Schwartz. Jewfish, *Epinephelus itajara,* from North Carolina, with range correction and body comparisons 167
Krysko, Kenneth L., Leonard E. Krysko, and *Chuck Hurt.* Reproduction and distribution of the south Florida mole kingsnake (*Lampropeltis calligaster occipitolineata*) from central peninsular Florida 344
Kurczewski, Frank E. Distribution, behavior, and ecology of *Tachysphex* from the Carolinas (Hymenoptera: Spheridae) 113
Mangun, Jean C, and *Rebecca Liles Kolb.* Effect of grassland management on Henslow's sparrow, *Ammodramus henslowii* (Fringillidae), populations in eastern North Carolina 49
Olagunju, Amos O., and *Hong Xu.* A computational tour with generalized least square algorithms 225
Parker, R. O. Jr. Courtship of hogfish, *Lachnolamus maximus,* and other behavior of reef fishes off Beaufort, North Carolina 260
Rabon, David R. Jr., Wm. Davis Webster, and *Stephanie L. Donaton.* Pleistocene bats of the southeastern United States, with comments on their hypothetical occurrences in North Carolina 57
Reeves, Will K. Invertebrate cavernicoles of the Great Smoky Mountains National Park, USA 334
Schwartz, Frank J. Historical and present distribution of a gobiesocid and five bleniid fishes in North Carolina 13
Schwartz, Frank J. Body-organ weight relationships of stranded loggerhead sea turtles, *Caretta caretta,* with an examination of the effects of the environment causing their demise 86
Schwartz, Frank J. Ecology and distribution of three species of stargazers (Pisces: Uranoscopidae) from North Carolina 153
Schwartz, Frank J. Food of tiger sharks, *Galeocerdo cuvier* (Carcharhinidae) from the northwest Atlantic Ocean, off North Carolina 351
Schwartz, Frank J. A deformed striped mullet, *Mugil cephalus* (family Mugilidae), from North Carolina 348
Schwartz, Frank J., and *David G. Lindquist.* Flying gurnards, *Dactylopterus volitans* (Pisces: Dactylopteridae) from North Carolina and adjacent states 146
Shelley, Rowland M. Annotated checklist of the millipeds of North Carolina (Arthropoda, Diplopoda), with remarks on the genus *Sigmoria* Chamberlin (Polydesmida: Xystodesmidae) 177

Spears, Gene, Shelly Hetzel, Amber Mansell, Robert Wooley, and *Lynn Wyrick.* Silt-induced mortality in embryos of the wood frog, *Rana sylvatica* 82
Sprague, Mark W., Joseph J. Luczkovich, A. Christopher Pullinger, Stephen S. Johnson, Todd Jenkins, and *Hal J. Daniel III.* Using spectral analysis to identify drumming sounds of some North Carolina fishes in the family Sciaenidae 124
Tuberville, Tracey S., J. Russell Bodie, John B. Jensen, Linda Laclaire, and *J. Whitford Gibbons.* Apparent decline of the eastern hog-nosed snake, *Heterodon simus* 19
Webster, Wm. David. Westernmost record of the Seminole bat ((*Lariurus seminolus*) in North Carolina 91
Wojowski, David. Hurricane Floyd's effect on the nesting success of the marbled salamander (*Ambystoma opacum*) at Falls Lake, North Carolina 171
Wujek, Daniel E. Identification, ecology, and distribution of silica-scale bearing Chrysophytes from the Carolinas. I. Piedmont region 307
Wujek, Daniel E., and Paul R. Elsner. Synura longisquama, sp. nov., a new Synurophyte from South Carolina 97
Proceedings of the ninety-seventh annual meeting of the North Carolina Academy of Science, Inc. 31 March–2 April 2000, part of the North Carolina Academy of Science meeting at North Carolina State University, Raleigh, NC 361
Abstracts of papers presented at the Junior and Senior Collegiate Academy Sciences 31 March–2 April 2000, part of the North Carolina Academy of Science annual meeting held at North Carolina State University, NC 265
